**Allegation:** The complainant [REDACTED] alleges that the accused, Officer Bober, took his hat, his car keys, and his wallet containing \$250.00 (ap) USC and did not return any of those items. The complainant [REDACTED] alleges that the accused, Officer Bober, called his daughter [REDACTED] "a Puerto Rican bitch". The complainant [REDACTED] further alleges that the accused, Officer Meneou, told him, "you called three fucking times, now shut the fuck up".

**History:** The reporting sergeant responded to a 'request for supervisor' call at [REDACTED] residence. Complainant [REDACTED] informed the R/S that [REDACTED] is the father of his daughter's children. And that [REDACTED] appeared at his door around 4:00 a.m. creating a noise disturbance. After repeated calls, the accused officers responded. Complainant [REDACTED] approached the officer in car # 8629 (manned by accused Officer Meneou). The accused then used the aforementioned profanity to Complainant [REDACTED]. The other responding officer (Officer Bober) described his daughter using profanity and took control of [REDACTED].

Complainant [REDACTED] then informed the R/S that Officer Bober took the aforementioned items from his person and moved his car a block away onto Avenue O. The accused officers then told him to leave the area.
